

Access NH Initiative

A collaborative between the New Hampshire College & University Council and Campus Compact for New Hampshire
3 Barrell Court, Suite 100, Concord, NH 03301 · 603-223-2302 · Fax 603-223-2018

Dear Colleagues,

We are pleased to offer you an opportunity to apply for a mini grant up to \$1000 to assist with funding for activities aimed at encouraging **underrepresented** students to access higher education. Please find the application attached.

To be eligible to apply for this grant you must develop or enhance an existing partnership between a K-12 or community based organization and a higher education institution.

If you do not have an existing partnership, we encourage you to contact us for more information on ways to connect with potential partners. Eligible applicants are:

- ⇒ A Middle school, high school or community-based organization (CBO) in partnership with a higher education institution; or,
- ⇒ A Higher education institution in partnership with a middle school, high school or CBO

We are particularly interested in funding new programs and initiatives, or the enhancement or expansion of existing programs. Priority will be given to programs that impact underrepresented students and to new initiatives that might otherwise not be possible without our financial support.

You may apply for up to \$1,000. Typical grants range from \$250 - \$700. Allowable expenses include, but are not limited to:

- ⇒ Travel
- ⇒ Participation in college and career fairs
- ⇒ Keynote speakers
- ⇒ Meeting materials
- ⇒ Refreshments
- ⇒ Field Trips
- ⇒ Campus tours

The mission of the Access NH Initiative is to increase opportunities and pathways to assist underrepresented students in accessing higher education opportunities. We are pursuing a number of diverse strategies to increase student retention rates, improve academic success and ease transitions from K-12 to higher education.

We encourage you to browse our websites or call us for more information.
